

## Dear Stakeholders!

We invite you to join the online webinar series of the BIOEASTsUP project, “**Advancing Sustainable Circular Bioeconomy in Central and Eastern European Countries**”, where an overview of the BIOEAST initiative and the BIOEASTsUP project will be presented. Furthermore, the webinars will provide a comprehensive review of how the BIOEASTsUP project helps the BIOEAST countries in developing national bioeconomy strategies & action plans, building a strategic research and innovation agenda (SRIA) for evidence-based policy making, and engaging national stakeholders in the various bodies established in the project.

We plan to organise a series of five webinars, of which three webinars will be open to everyone, this will be indicated on the registration interface. The content is designed to contribute towards bioeconomic knowledge of all relevant stakeholders in the BIOEAST network. Please find the agenda below.
